

**Where do you live?**

My studio is based in Athens, Greece

**Best childhood memory?**

Visiting New York for the first time with my mother when I was 9. I loved all the gallery visits and shopping!

**Most frequented restaurant and absolute favourite dish?**

I most frequently eat sushi – love it! I love virtually all sushi dishes.

**What food would you really turn your nose up to?**

Greek Souvlakia! I think it is revolting. Cypriot Souvlakia on the other hand is an entirely different story... one of my favourite dishes.

**What did you have for breakfast?**

Coco Pops

**Would you class yourself as a day or night person? What's your idea of the perfect night/day out?**

Neither. Dusk is my favourite time of day. Anything you do at dusk is somehow magical. I find the transition between day to night a spiritual and tranquil experience.

**Best book ever read?**

*Shantaram*. I thought it was beautifully written.

**Favourite film of all time?**

*Searching for Sugar Man*. I thought it was truly inspirational.

**Best holiday ever taken? What's your dream trip?**

I've had many great holidays and trips. I can't single one out. My dream trip is to be with great company and then it doesn't matter where you go.

**What is always in your fridge?**

Juices

**Dream house: rural retreat or urban dwelling? Where would it****Searching for Sugar Man****be, what would it be like?**

An old, rustic, gorgeous house somewhere in the French countryside. I love France. I would just eat French food all day long.

Tori Amos. I love her music

**If the world is ending in 24 hours what would you do?**

Oh dear - don't think I want to consider it!!

Death – but not mine, the people I love.
